Longtime Greenwood resident, Jack Johnston, is investing in his community by opening his own auto repair franchise – Milex Complete Auto Care. The Milex Complete Auto Care Center will perform a wide range of services for automobiles, both foreign and domestic. Services include computer diagnostics, steering/suspension, fuel system, cooling system and factory recommended preventive maintenance. The repair shop is conveniently located in the Kmart Shopping Center – 860 US 31 South in Greenwood.

Johnston is both owner and manager of the Greenwood Milex and says, “Our goal at Milex Complete Auto Care is to create a higher standard of customer service and technical excellence, helping customers drive more safely and economically.”

He has lived in the Greenwood area since childhood and is devoted to his fellow community members.

“We hope to build relationships with all our customers by educating them and providing them the outstanding service they expect and deserve,” says Johnston.

Johnston also invests in his community as a volunteer. He has been a long time little league coach and a basketball coach at the Greenwood Community Center for 5 years. “I’m excited to be providing a service to the community that I have been a part of and believed in for so long.”

With over 35 years experience in the automotive repair business, Johnston says that his business philosophy is “to treat people right and to do the job right the first time at a fair price.”

Greenwood residents will surely appreciate the value of his quality work and competitive prices.

Johnston can also be commended for his ability to open a business despite the economy and the limited financing available for small business owners. He purchased his franchise through Moran Industries, an Illinois-based franchisor.

Moran Industries provides specialty products and services in virtually every aspect of the automotive aftermarket through five franchise brands and over 140 locations nationwide: including Mr. Transmission, Multistate Transmission, Dr. Nick Transmission; Alta Mere® Toys for your Car™; and Milex® Complete Auto Care™.

Milex Complete Auto Care in Greenwood can be reached at (317) 859-3465.
